All participants registered (paid) before the deadline will be guaranteed a spot in the lesson. All registrations received after the deadline won't be accepted unless there are still spots left in the class. Participants must meet the Lifesaving Society's prerequisites before the final exam date. Registration for one of these three options includes a free individual pass that gives access to both municipal swimming pools during Open Swim and Lengths Swim. The schedule for the Open and Lengths Swim times is available on the municipality's website.
